### The 6<sup>th</sup> International Conference on Competitive Materials and Technology Processes

Castle of king Louis the Great

The conference will be held in one of the most beautiful region of HUNGARY in the **Beech Mountains** in **Miskolc -Lillafüred** in the cactle of **Hotel Palota** during

**October 5<sup>th</sup>-9<sup>th</sup>, 2020.**

More information, online registration and abstract submission are available in the website of:

[www.ic-cmtp6.eu](http://www.ic-cmtp6.eu)

## SESSIONS

- Session 1. Advanced Ceramics and Nanoceramics
- Session 2. Advanced Composites and Nanocomposites
- Session 3. Advanced Materials for Bio- and Medical Applications
- Session 4. Advanced Materials for Extreme Applications
- Session 5. Advanced Nanomaterials and Nanocomposites
- Session 6. Advanced Optical Materials – Properties and Applications
- Session 7. Advanced Polymer-Clay Nanocomposites
- Session 8. Advanced Powder Metallurgy Materials
- Session 9. Advanced Processing and Characterization Methods for Nanocomposites
- Session 10. Bioelectronic Materials and Biosensors
- Session 11. Biomaterials Derived Ceramics and Nanocomposites
- Session 12. Clay Minerals and Organo-Clay Complexes
- Session 13. CO<sub>2</sub> Capture and Fixing Materials and Methods
- Session 14. Glasses and Related Competitive Materials
- Session 15. Graphene – Properties and Applications
- Session 16. Hetero-Modulus and Hybrid Materials
- Session 17. Intelligence and Smart Materials – Structures, Properties and Applications
- Session 18. Interface as a Functional Material – Behavior, Function and Application
- Session 19. Light Weight Materials with Predesigned and Controlled Nanostructures
- Session 20. Materials and Methods to Capture and Fixing Radioactive Pollutants from Waters and Soils
- Session 21. Materials for Membranes and Catalysts
- Session 22. Materials for Biological Systems and Health
- Session 23. Materials for Energy Saving and Conservation
- Session 24. Materials for Harvesting Renewable Energy
- Session 25. Materials for Sensors and Actuators
- Session 26. Materials with Extreme Dynamic Strength
- Session 27. Mechanical Properties and Processing Technology of Advanced Materials
- Session 28. Minerals for Environmental and Medical Application
- Session 29. Nanomaterials Applied to Biomedical Applications and Nanomedicine
- Session 30. Nanomaterials for Electronic and

### Electrotechnical Applications

- Session 31. Novel Synthesis and Processing Technology
- Session 32. Polymer Derived Ceramics and Advanced Nanocomposites
- Session 33. Processing and Properties of Silicate Ceramics
- Session 34. Sol-Gel Technology in Materials Processing and Technology
- Session 35. Testing and Characterization of Materials – Methods, Equipment and Uncertainties
- Session 36. Traditional Ceramics and Building Materials
- Session 37. Traditional Ferrous and Nonferrous Metals

## Important Dates

<sup>3</sup> Early registration:	20-03-20
Early abstract submission:	20-03-20
Early abstract acceptance:	30-03-20
Early registration fee payment:	15-04-20
Normal registration fee payment:	15-07-20
Late registration fee payment:	10-09-20
Registration fee payment at desk:	05-10-20
